Whether you say "aperitivo" or "apéritif", these cocktails have ancient roots in the Roman and Greek empires. Wine was mixed with honey, herbs, and water to create a low-alcohol drinking experience to invigorate the palate before dinner. These drinks sometimes contained a bitter component to stimulate the digestive system.

OTHER SUGGESTED COCKTAILS
Spagliato , Spritz, Vermouth & Soda

SOURS & FIXES

These cocktails generally consist of a base spirit, lemon or lime, and a sweetener. While most sours are characterized by a bright acidity, others can be made drier with the combination of different liqueurs, fruits, or egg

with respect. Sip slowly and pay attention to your
palate for a full appreciation of their complexity.

SUGGESTED
COCKTAILS

Old Fashioned, Manhattan, Martini

TIKI & TROPICAL

Pool parties and vacation fantasies are what should come to mind when you indulge in these tasty libations. While they are generally a little sweeter than most cocktails, that doesn't mean they're not boozy! Much of the escapist tiki culture can be traced back to two men: Donn Beach and Victor Bergeron, aka Trader Vic. Tiki cocktails combine multiple kinds of citrus, sweetening agents, and spirits.
